## Politics

City council elections are approaching in Ādaži. The current chairman of Ādaži district council Mairis Sprindžuks will try to prove himself and will try to be re-elected. He will have a competitive opponent, Gundars Bojārs, who is the former mayor of Riga City Council. Sprindžuks will want to continue the modernization of Ādaži, but Boyar has new ideas on how to improve Ādaži's economy. We invite all people to come to Ādaži Culture Center on Saturday starting from 9 AM and vote. Subject to the new rules due to covid-19, please observe 2m and leave the building immediately after you make your decision.

## Culture

Due to the state of emergency in the country, the most popular event in Ādaži "Gaujas svētki" is canceled this year. Many citizens are dissatisfied with this decision, but the rules adopted make it impossible to hold the event. On May 17, everyone is advised to stay home and prepare for next year.

Although this holiday could not take place this year, money was saved. So next year this holiday will be even better and more exciting. Next year, our own favorite singer Lauris Reiniks will perform on stage. We ask all citizens to endure until next year so that they can have a great holiday.

A Latvian pop music group "Musiqq" will not be performing a live concert in Ādaži on Saturday, December 5th outside by the Ādaži Art and Music school. Unfortunately the long awaited concert will be delayed due to the new increases in covid-19 cases these past weeks. We do inform that the concert is getting delayed and not canceled. The date of the concert is not yet known however it is planned to take place only after the covid wave is gone. For further information you can check on their website. However for those of you who haven't bought tickets yet – the ticket selling is currently delayed with the concert itself so to buy them, look forward for the concert.

## Newschool

A new primary school was opened in Ādaži last Monday. This school is the most advanced in Latvia at the moment. This school has thermometers that measure the temperature of children all the time because there is now a covid 19 pandemic and it is necessary to isolate those children who have symptoms of the disease. There are two outdoor seating areas their own sports hall and music hall. This primary school is friendly for children with disabilities because this school has an elevator. And every class has an interactive whiteboard and every kid has a laptop where they can study new things.

Due to covid-19 all schools are closed. All students will have to continue their education from home, which will be a new challenge for students and teachers. The schools are scheduled to close by January 1, but this is only the current decision, if the situation improves, then after the new year all students will be able to return to school, but if the situation remains neutral or worse, then studies will have to continue remotely. Ādaži Secondary School will provide a free curriculum for all students on the site [uzdevumi.lv](http://uzdevumi.lv). Teachers of Ādaži Secondary School and Primary School encourage students to study diligently so that learning progress is not delayed when they return to school.

## Road Ādaži – Kadaga lighting

Residents of Ādaži municipality started to collect signatures to places lanterns on the road Ādaži – Kadaga because many children need to go home after school along this road and there is always dark and car drivers or bikes can't see people who walk next to the street and they can hurt them. These signatures will be submitted to the Ādaži district council. Signatures can be submitted for two weeks. This road is one of the most important roads in Ādaži because in Kadaga live many thousands of people and there is Army , and visitors of army base drive along this road everyday.

A new petition has been started by residents of Ādaži to build a new swimming pool due to the current one being overwhelmed by people. The new pool is planned to be built near the Tallinn highway and would cost approximately 8 million euros. The petition was started last week and the goal is to get 8 thousand votes by the end of the year so the new project can be started next year. Everyone is advised to sign the petition and help the village grow. The petition can be found on our website

## Economy

“Jānis Sauka” meat store on has been under construction for a while and now is finally re-opening on December 5th after increasing their space. The store has been closed and under construction for more than a month due to the Covid-19 making it more difficult to rebuild the store faster. The store will now be almost twice the size of the old one and will now have a cafe right next to the meat store. Both the store and the cafe will continue to work as usual Monday-Friday from 10am till 7:30pm and on weekends from 10am till 6pm.

The company "Laima" has decided to expand. There will now be a large "Laima" factory in Ādaži. Now it will be possible for “Laima” to double the current production volumes. The “Laima” building in Ādaži will be considered the main one in Latvia. When the emergency state in the country ends, people will have the opportunity to go on excursions to the new factory. Since this is a new building, there will be an opportunity for people to work at this facility. Residents of Ādaži are pleasantly surprised that the new factory will be built in Ādaži region.
